MEMORANDUM FOR THE DIRECTOR

SUBJECT: Your Forthcoming Conversation with the President
re Dissemination of TS version of WIE 11-8-62

1. This memorandum contains recommendations in paragraphs 4 and 5.
2. The Board of National Estimates and USIB representatives have agreed on a sanitized text suitable for Top Secret dissemination. Copy attached.
3. USIB members will be heard from during Friday afternoon. They are all but certain to accept this text.
4. If dissemination of the Top Secret version is approved by the President the Board of National Estimates recommends, as do the USIB representatives, a "limited distribution" which would involve some 75 copies going outside the intelligence community. See attachment for information.
